

461.24 Public listing.

The department of natural resources, the department of agriculture and land stewardship, and the department of transportation shall cooperate to publish and maintain a public listing of how moneys contained in the natural resources and outdoor recreation trust fund as created in section 461.31 are distributed and spent during the course of each fiscal year. The departments shall designate one of the departments to be responsible for publishing and maintaining the public listing on the internet site operated by that department.
